RYAN TREFZ MEMORIAL AWARD

#28 | Ryan Trefz

Ryan Trefz is forever remembered within our CB West Hockey community – he tragically passed away on June 22nd, 2019, the summer before his senior year at Temple University. Ryan played 3 seasons for CB West. He was named captain, their best defenseman, and team MVP in both his junior and senior years. As the captain of CB West hockey, **Ryan Trefz** led with confidence, toughness, and an unwavering commitment to his teammates and the programs he played for – CB West, Ice Dogs, and Temple. He set the standard, day-in and day-out, through his work ethic and character. That same leadership followed him to Temple University, where he was named captain once again—an unmistakable reflection of the person, teammate, and leader he was. Ryan's number **28** is the only jersey number to ever be retired for the Bucks.

Ryan's legacy still lives on today in many ways, and tonight we honor him and his family through the **Ryan Trefz Memorial Award**. This award is given to a player who not only contributes to the team in important ways on the ice, but also brings all the intangibles and qualities Ryan did off the ice.
